productinformation

tesa® Bumperfilm 50560 PV0

Temporary protection for freshly painted surfaces

tesa® Bumperfilm 50560 is a premium grade self adhesive film that has been developed for the protection of delicate surfaces, e.g. painted bumper.

User benefits:

- Cost saving due to reduction in rectification and final repair
- Preserves the paint finish, up to 6 months storage outdoor
- No special equipment needed, ensuring simple, low cost application and removal processes
- Good adhesion to the range of paint finishes, even during transportation (tested at speeds higher than 160 km/h 100
- Easy disposal. Both film and adhesive system are environmentally friendly

Main Application

Protection against dirt and scratches during assembly, transport and storage of painted plastic parts or / and painted metal surfaces
